FROM: **JUDGE MORROW, P.J.** KAM

RE: **WRITS PERTAINING TO PCRA'S**

It has been brought to my attention that Counsel are not giving the Sheriff adequate time to bring a prisoner back to Perry County for purposes of a PCRA hearing. In order to avoid unnecessary continuances, I would request that once the PCRA Hearing has been scheduled, Defense Counsel shall notify the Sheriff within seven days of that date and hearing so that arrangements can be made for transportation.

In no event, shall the Sheriff be noticed less than two weeks prior to the hearing dated.

Kathy A. Morrow, P.J.
