DOES YOUR HOME NEED REPAIRS?

You may be eligible for a homeowner housing rehabilitation program. This program is designed to assist low-income homeowners to update their homes to meet building codes. It can provide electrical upgrades, furnaces, roofs, windows, plumbing etc. It is not designed to provide cosmetic corrections but to provide needed maintenance to major systems of your home. This is a countywide program, but the majority of grant dollars obtained by Perry County must be spent within Oliver Township or the Boroughs of Duncannon and Newport. These are designated low income areas as defined by the US Census Bureau. **Properties located in the 100 year floodplain are excluded.**
