

Veterans Employment Representative 1

Employment Opportunities

The Pennsylvania Department of Labor and Industry currently has 14 vacancies statewide for Veterans Employment 1. The agency is willing to fill these positions with service-connected disabled veterans (job code VER1D) or eligible veterans (job code 06370). When completing your application, you must first determine which one veterans' status listed above applies to you. Refer to the PRIORITIES IN HIRING section to help you determine which veterans' status to choose when applying.

Preference will be given in the following order: Special Disabled Veterans, Disabled Veterans, Eligible Veterans.

All vacancies are located with a PA CareerLink Office.

Type of Work

You will provide job related information and outreach services to disabled veterans and other veterans to assist them in finding employment. You will interview veterans, take employment requests from employers (job orders) and refer veterans to employers or other services.

Location
